

# SP-SL3190-2™

The SP-SL3190-2 is a solar powered LED light tower that provides a safe and effective way for operators to quickly deploy high powered lights. This light allows for easy transportation and easy setup. Unlike other types of lamps, this one has LED light. These types of lights have a much longer lifetime than a normal bulb. Our portable, solar powered light trailer helps you to reduce your energy consumption, and it will illuminate large areas at great distances.
